

CNX Coal Resources Schedules Third Quarter 2015 Earnings Release and Conference Call

CANONSBURG, Pa., Oct. 16, 2015 /PRNewswire/ -- CNX Coal Resources LP (NYSE: CNXC) will issue its third quarter earnings release after the market close on Monday, October 26. This will be followed by a conference call hosted by members of the management team at 05:00 p.m. Eastern Time. The webcast and presentation materials will be accessible on the 'Investor Relations' page of the company's website, www.cnxlp.com. An archive of the webcast will be available for 30 days after the event.

Participant dial in (toll free) 1-877-870-4263

Participant international dial in 1-412-317-0790

Participants should ask to be joined into the CNXC conference call.

CNX Coal Resources is a growth-oriented master limited partnership formed by CONSOL Energy, Inc. (NYSE: CNX) to manage and further develop all of CONSOL's active thermal coal operations in Pennsylvania. Its initial assets include a 20% undivided interest in, and operational control over, CONSOL's Pennsylvania mining complex, which consists of three underground mines and related infrastructure.
