

CNX Coal Resources To Participate in Upcoming Investor Conferences

CANONSBURG, Pa., Aug. 11, 2015 /PRNewswire/ -- CNX Coal Resources LP (NYSE: [CNXC](#)) today announced that members of its executive management team will participate in the BB&T Capital Markets 2015 Coal Summit in St. Louis on August 11-12, 2015 and Citi 2015 MLP/Midstream Infrastructure Conference in Las Vegas on August 19-20, 2015.

Jimmy A. Brock, Chief Executive Officer of CNX Coal Resources GP LLC, the general partner of CNXC, will give a presentation of the company's operations and recent activities on Wednesday, August 12, 2015 at approximately at 11:30 a.m. Central Time. The slides used in the presentation will be posted on the "Events and Presentations" page of the Investors section of CNXC website, www.cnxlp.com prior to the start of the conference.

CNX Coal Resources is a growth-oriented master limited partnership recently formed by CONSOL Energy, Inc. (NYSE: CNX) to manage and further develop all of CONSOL's active thermal coal operations in Pennsylvania. Its initial assets include a 20% undivided interest in, and operational control over, CONSOL's Pennsylvania mining complex, which consists of three underground mines and related infrastructure.
